YALE WILL WORK HARD FOR LEHIGH CONTEST SATURDAY

New Haven, Conn., Oct. 9.—Aside from a slight injury to Maurice Smith, the centre rush, who played most of Saturday's game against Virginia, the Yale players were in excellent condition yesterday. Smith developed a slight muscle bruise, and it is feared that he will not be able to play against Lehigh next Saturday. Yale expects Lehigh to prove a tough customer, as that team piled up 61 points Saturday against Albright College, the exact score Yale was harvesting against Virginia. Last year Yale was able to beat Lehigh by only 7 to 6.

In Smith's place Ross and Leisenring, who succeeded him Saturday, will be tried this week, and one or two of the guard candidates may be switched over for a tryout.

Orders were given to the Yale players to look out for a strenuous week of practice. Full Back Emil Jacques is expected to return to practice by the middle of the week, and this will strengthen the back field, as Hutchinson, his understudy, has a tendency to fumble. Hutchinson's misplay Saturday gave Virginia its chance to score by fumbling on the ball at the Yale 15-yard line.

ALEXANDER AND COVELESKIE LEAD MAJOR TWIRLERS

The close of the big league season showed Alexander of the Phillies with the best record in the National League, although Tom Hughes of Boston did well. Harry Coveleskie of Detroit did the best work in the American. The records of the top notchers:

SAY TINKER WILL SURELY LOSE JOB AS CUB MANAGER

Chicago, Oct. 9.—No sooner had the Cubs been thoroughly beaten by the White Sox in their annual fall series than rumors were once more floating through the air that Joe Tinker would be deposed as leader of the North Side team, although no official statement could be obtained from any one connected with the club.

It looks as if some unseen hand with great power is at work on a plan to push Joe out into the cold when the proper time arrives. President Weeghsman declined to discuss the matter when interviewed last night.

It is quite certain that there is a general feeling in the National League against Tinker because of his activity in organizing the Federal League during the winter of 1913-14, when many major league players decided to jump to the independents after talking with Joe.

Several have been mentioned as successors to Tinker, among them being Jack Hendrix, Frank Chance, Larry Doyle and Dick Kinsella.

RANGERS AND ROVERS WIN SOCCER CONTESTS BEFORE LOCAL CROWDS

There was lots of excitement in soccer circles yesterday because four local teams were engaged in combat. The Remington City and Bridgeport Rangers mixed it up in a league game at Remington field, the Rangers winning by 6 to 0. The Remingtons managed to hold their own in the first half but in the second session the superiority of the Rangers began to tell. Healy played a great game for the Rangers and so did Blackwood. York was the best of the halfbacks. Farist and Capper of the Remingtons gave clever exhibitions.

In an amateur contest at the Meadows the Bridgeport Rovers won from the Swedish F. C. by 4 to 0. It was an easy conquest for the Rovers. West and Herson starred for the winners. Bannan, Ericson and Santesson did well for the Swedish F. C.

What Crowd Paid to See First Game

Although the attendance in the first game of the world's series fell slightly below expectations the crowd was large enough to furnish quite a little coin. The statement issued after the contest is as follows:

Official paid attendance... 36,117
Total receipts... \$76,489.50
Divided as follows:
Players..... 41,304.33
Each club's share..... 13,768.11
National Commission..... 7,648.95
Total paid attendance at Philadelphia last year between Philadelphia Phillies and Boston Red Sox, 19,343; total receipts, \$51,066.

JACK DILLON AND SALOR GRANDE WILL MINGLE TOMORROW

New York, Oct. 9.—Boxing exhibitions are scheduled for this week which should furnish followers of the sport with plenty of real action. The principal shows will be staged tomorrow night. Chief interest will be in the 10-round bout between Jack Dillon, the Indianapolis light-heavyweight, and Salor Grande of Philadelphia. The latter has appeared in several bouts at local clubs and has made a favorable impression. With his rugged, aggressive style he is looked upon as capable of making Dillon extend himself to gain the honors.

On the same night, at the Pioneer Sporting Club, in West Forty-fourth street, Johnny Ertle, the St. Paul bantamweight who, since his victory over Kid Williams, has been recognized generally as the bantamweight champion, will inaugurate his winter ring campaign. Joe Lynch, the West Side bantamweight, who is making rapid strides in the direction of the title, will oppose the diminutive Ertle.

KEATING DEFEATED BY PUTNAM TEAM

Putnam, Oct. 9.—The Colonials of New Haven were shut out by the Putnam club here yesterday, 1 to 0. The victory marked the fifteenth straight for the home boys.

Ty Cobb, the Detroit star, played first base for the Colonials for four innings, but failed to hit safely.

"Cannonball" Redding, the famous colored pitcher, twirled the last four innings for Putnam and fanned eleven of the twelve men to face him. Roy Stow got the only hit registered by the Colonials. Ray Keating, the former Yankee, pitched for the Colonials and allowed six hits.

BROWNS TAKE ST. LOUIS SERIES FROM CARDINALS

St. Louis, Oct. 9.—By winning both games of a double header yesterday, the first 3 to 2 in 10 innings, the second 4 to 1 in eight innings, the St. Louis Browns won the city championship from the St. Louis Nationals.

The Browns won four games and the Cardinals won one.

CROSS COUNTRY MEET TO BE HELD NOV. 25 UNDER YALE AUSPICES

New York, Oct. 9.—The annual championship of the Intercollegiate A. A., held in the Harvard Stadium last May, showed a net profit of \$4,866. This was one of the reports made at the meeting of the executive committee at the Waldorf-Astoria yesterday to discuss changes in the rules to be acted upon at a meeting in New Haven, November 24.

New officers were named to fill the unexpired terms of members who graduated last June. Alvin Behrer, of Princeton, succeeds D. M. Lake as president. He presided at the meeting yesterday.

The committee discussed the annual indoor carnival, but a date and place will not be decided upon until the meeting in New Haven. The committee will recommend the abolishment of the 24-lap relay race and substitute an event for graduates.

The annual cross-country championship will be held in New Haven, November 25, in conjunction with the Yale-Harvard football game.

The course will be decided upon at a future meeting.

BRIDGEPORT CITY WINS FROM NEW HAVEN BOYS IN FAST SOCCER GAME

New Haven, Oct. 9.—Bridgeport City defeated New Haven at Beaver Park yesterday in a regular soccer league game by 2 goals to 1. The game was one of the fastest and best played for a long time and was witnessed by one of the largest crowds in years. Bridgeport City brought along their strongest team, including several players of international fame. New Haven was handicapped by the absence of Valentine.

Play for the first 30 minutes was a give and take nature, neither side having it on the other. Both goals were visited in turn and several wonderful stops were made by both goal tenders. After 35 minutes' play a finely combined run by the Bridgeport forwards ended in Satterwaite sending the leather past Smith for the first goal of the game. Several chances came to New Haven but they failed to take advantage of the offers. The first half ended Bridgeport 1, New Haven 0. The second half started with New Haven on the aggressive and it looked as if the local team were to have the best of the argument.

A beautiful piece of work on the part of Montgomery, who sent in a swift side shot, was cleverly converted into a goal by Wilson, and the teams stood equal. Bridgeport felt the sting and got together in good shape, but the splendid defense of New Haven kept them at bay until an accidental foul by Cava gave the strangers a penalty kick, which Todd converted into a goal. From this on Bridgeport played to win and their training stood them in good shape.

WHO WILL LEAD WORLD'S CHAMPIONSHIP, ROBBY OR CARRIGAN? TAKE YOUR PICK

Who will lead a world's championship baseball team this season—Wilbert Robinson of Brooklyn or Bill Carrigan of Boston? This question is now on the lips of every baseball fan. This question can be answered correctly next week, but right now it is all guesswork. While on the subject of the two leaders, look over the two—Robinson and Carrigan. Robby, the rollicking, rotund ruler of the Robins, is from the school of John McGraw—that is, his methods are the same, but his manner is different. Robby, always good natured, commands with open hands, not with closed fists. He believes a pat on the back is worth more than a kick in the slats, that praising wins over hazing, and he is always cheerful, never fearful. Carrigan is serious and solemn—most unlike his adversary. He is crafty and wise; strict, but not harsh. He has a well thought out reason for every managerial move. His work is sound; he guesses at nothing. He thinks long and acts quickly, and, in addition, Bill will catch a few of the games himself.

CHAIN CO. DOWNS TIGERS IN OPENING GAME OF SEASON

(By Wagner.)

The American Chain Co. steam roller started on its course toward the state football championship yesterday by picking on the Tigers of Hartford. The boys from the Capital city were too light for the local huskies but they were game to the core and made the Chain boys fight for everything. For the opening contest of the season it wasn't half bad, even though the Chain players scored only two touchdowns and won by 13 to 0.

Many of the stars who helped make history for the Arms eleven last season donned the moleskins for Mike Healy's team yesterday. Richardson of the flaming hair, Pat O'Reilly, Bill Flanagan and Plura were strong in the line. Howie Baker, George Mosher and Unk Seeley were seen in the backfield and also Eddie Lavery, a local boy, who has been with New Haven teams in past years.

The Chain boys showed a disposition to play an open game, a policy welcomed by the fans because they were given a better chance to follow the ball. Fake kicks and forward passes were frequently tried and although several long gains were made on the fake kick play the forward pass was generally fumbled. It was to be expected, however, that the team would work very smoothly in the first game.

Mosher displayed his usual sprinting skill and ability to shake off tacklers. In the second period he took the ball over for the first touchdown on a four yard plunge after reeling off several good gains. A few minutes later he raced 28 yards for the second touchdown. Seeley kicked this goal but Flanagan missed the first one.

Baker made a number of long runs and so did Stevens, who substituted for Mosher. Lavery was good at line plunging. Jack Nagle and K. Patrick looked fine on the ends. Johnson and Winn did most of the ground gaining for the Tigers.

In the second half the Tigers took a brace. They worked the ball into Chain territory by some cleverly executed forward passes but Thomas, the Chain quarterback, ended the advance when he intercepted a pass on the 13 yard line. There was no scoring in the second half. The lineup:

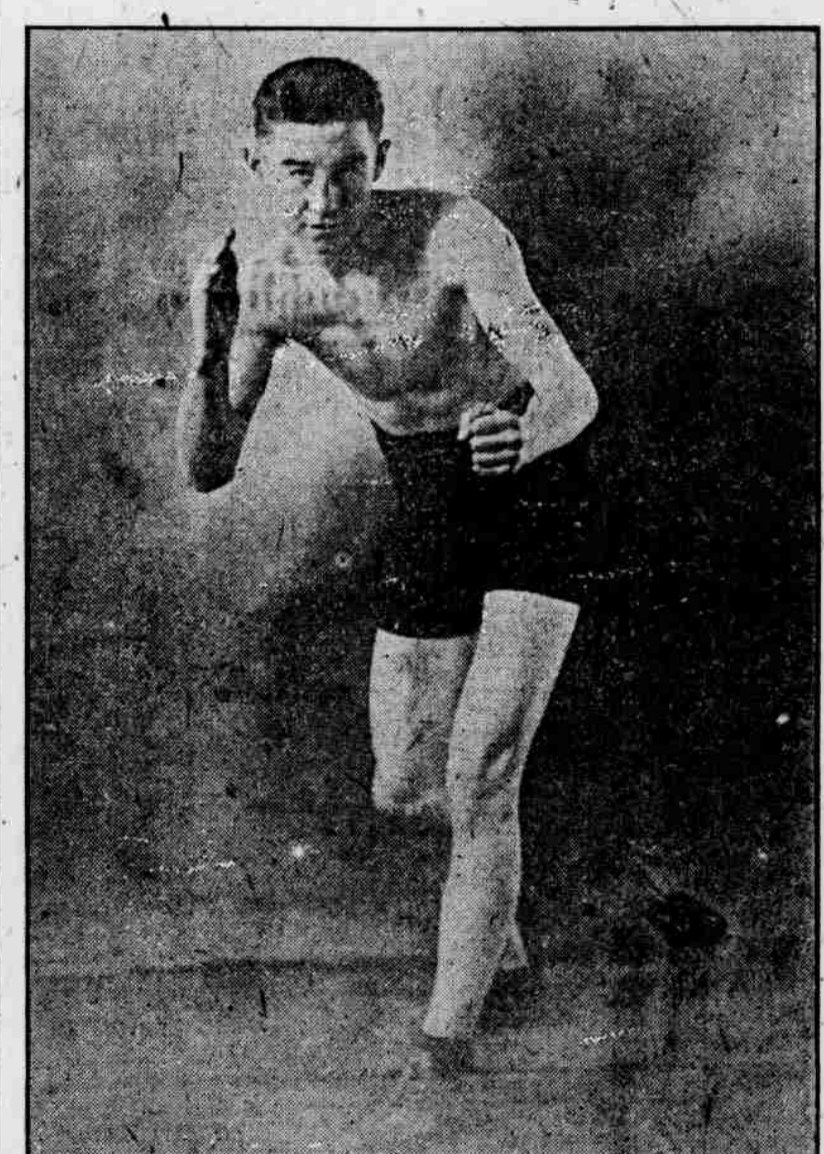

Nagle, lb. re. Forant, McMahon
Flanagan, Graves, lt. rt. Anderson
Lindquist, Richardson, lg.
Pjura, c. rg. Harrington
Graves, Ivers, rf. rg. Fitzgerald
O'Reilly, rt. lg. Zimmerman, Mead
Kilpatrick, re. lb. McMahon, Smith
Sealey, Thomas, qb. Winn, Peare
Baker, Stevens, lbh. rhh. Johnson
Mosher, Stevens, Hhalpin, rhh.
Lavery, Halapin, fb. lbh. Delaney
fb. Laco
Score: American Chain 13, Tigers 0.
Touchdowns, Mosher 2. Goal from touchdown, Seeley. Referee, Waters; umpire, Farrell.

CLINTONS DEFEAT BURR ROADS.

The Clintons defeated the fast Burr Roads at the Acid works yesterday to the tune of 21 to 0 score. The game was played as a preliminary to the Victor-Crashe game. Coyne was the real star of the day, making all the points and kicking one goal at a difficult angle.

Welsh, Hendleman and Kermode on the offensive and Barrett and Vereb on the defense played a slashing game. The Clintons are out to meet any 80 or 90 pound team in the city or state. Will the manager of the Lakeview call 6-559 at 7:30 any night and make arrangements for a game? All members of the Clintons are requested to be on hand Thursday night at State and Mountain Grove streets, also the cheering squad, which will be drilled by Fred Connell, the cheer leader.

OPENING BOXING SHOW OF SEASON AT CASINO TONIGHT

The boxing fans will journey to the Casino tonight for the opening of the local boxing season and judging by the card arranged by the Black Rock A. C. the spectators will have a fine entertainment. Silent Martin and the Zulu Kid, who have appeared in most of the local bouts, will be the main attraction in the star bout of 15 rounds. Both are sluggers and as they will weigh in at 160 some hard smashes are sure to be swapped.

In the semi-final Battling Kunz of South Norwalk will mix with Willie Condon of this city. Kunz is well known here because of his good work in previous shows. Condon is under the management of Ducky Holmes and wants to beat Kunz so he can go after the state title. This bout is scheduled for ten rounds. The opener will be a six round bout between Harry Gleen and Young Nunc.

Terry Lee will be the referee, Al Burdick is to keep time and Frank Braithwaite will do the announcing. The demand for tickets has been great.

PLAYER BOARD AT COLONIAL HALL IS PLEASING TO FANS

A big crowd turned out this afternoon at Colonial hall to see the world's series Player Board which showed the returns from the Red Sox-Dodgers game at Boston. On account of the central location of the hall it was convenient for the fans to drop in to watch the board.

Prof. Dan Quilly, who had arranged for the installation of the board, had 2,000 seats for spectators at a nominal price. The fans sat in comfort and smoked while they watch the game being played on the miniature diamond. As soon as a play was made on the field in Boston it was shown on the board and the cheering of the fans, who had gathered at Colonial hall, was deafening. The board will be operated at this hall during the remainder of the series.

DEFEAT OF HARVARD AND YALE'S SHOWING STUN FANS

Kilbane and McAuliffe Bout Here Would Prove Good Drawing Card.

(By Wagner.)

The submarine warfare has spread to the college football war zone and great damage was done to big elevens Saturday afternoon. The good ship Harvard was rammed by the undersea craft Tufts and sent to the bottom by the score of 7 to 3, causing great loss of life and money to Harvard undergraduates who had bet the family jewels on the team.

Columbia got a kick amidships from the Hamilton team and Princeton did not do any too well against North Carolina. The real surprise of the day was the score Yale piled up on Virginia. The southerners were undoubtedly very weak but this should not detract from the credit due Yale for the remarkable attack displayed.

Harry LeGore, who seems to be headed for a brilliant season, thrilled the crowd by his 40 yard run. That Yale intends also to master the open game was indicated when a couple of clever forward passes were thrown with success. The weakness of the Yale ends which was noticed in the Carnegie game was not apparent against Virginia. Bob Folwell's coaching has already begun to bear fruit at Pennsylvania for the Quakers rolled up a large score on Franklin & Marshall.

The Remington Arms boys will have a football eleven this season. Eddie Reilly will act as coach and George Kellam as manager. The material will be drawn from employees of the plant.

Football interest is evidently just as strong as ever in this city. There were 1,800 paid admissions at the Chain Co.-Tigers game at Newfield park yesterday.

The New York Giants will give a trial to Joe Tee, a North Adams, Mass., boy who has been catching in the Interborough league in New York. Tee broke into the game as a backstop in the old Berkshire league in Massachusetts.

The Washington Glee club football eleven of New Haven has met with bad luck already. The West Haven police authorities have announced that Sunday games will not be allowed at Savin Rock so new grounds must be secured. Those New Haven players knew what they were about when they started to look for places on the American Chain Co. team.

Tufts waited 43 years to get a victory over Harvard. After that stretch of time the boys feel they ought to blow up the college buildings to properly express their joy.

The Brooklyn players say Harry Hooper's catch of a difficult chance and his throw to the plate which doubled what was the most remarkable piece of work they have ever seen. After he caught the ball Hooper fell and he had to straighten up before he could cut loose with a perfect peg to the plate.

Just imagine what Percy Haughton will say to the Harvard football players after that beating by Tufts last Saturday. Haughton is a fighting cuss himself and he'll make the players show something this week or get off the team.

That talk of a match between Champion Johnny Kilbane and Young McAuliffe at the Park Theatre, has started the fans gossiping. Of course Kilbane would want a big guarantee to come here but the bout would undoubtedly draw a crowded house. A bout between Battling Levinsky and Joe Dillon has also been mentioned for an attraction at this theatre. Manager Lynch of the theatre is said to be anxious to put on a boxing show.

BROOKLYN PLAYERS START HOWLING ABOUT THEIR MONEY

Men Believe They Should Get Share of Coin For Unused Tickets.

Boston, Oct. 9.—Although the world's series is barely under way there is a big sensation here already because of the loud howls made by the Brooklyn players regarding the division of receipts.

Certain Dodger workers who expected to see 45,000 fans at the inaugural Saturday were evidently disappointed, especially in view of the fact that the players' pool gets 60 per cent. of the receipts of the first four games.

It was declared by Chief Meyers, Jake Daubert and other Dodgers that the players may not receive their due. The general division of the receipts is made on the basis of the official attendance and apparently not the money taken in for all tickets sold. It was all too evident Saturday that thousands of tickets had been paid for but for various reasons had not been used. The players should get their share of the money received for those unused tickets, said Chief Meyers.

At game time Saturday there were no seats on sale at Braves' Field. It was declared that the "house" had been sold out. The normal seating capacity of the stadium is 42,000 and accommodations for an additional 2,000 were provided by roping off right field. The official figures placed the series barely under way there is a big sensation here already because of the loud howls made by the Brooklyn players regarding the division of receipts.

The world's series is a decidedly a thing arranged for the benefit of the players, and it is essential that they get all that is coming to them. The chief agitator for the rights of the players is Meyers. The Indian has always been a stickler for an absolutely straight deal for the tollers of the diamond. When a member of the Giants in 1911, Meyers, aided by Merkle, organized a revolution against the National Commission. The commission contracted to sell the moving picture rights in that world's series between the Giants and the Athletics for \$5,000, which was officially destined for the "war fund," a thing that has not yet been discovered. Meyers and Merkle wanted all of that \$5,000 for the players, and they are wanting it yet.

The players may complain and even riot, but they are likely to get little satisfaction until the Players' Fraternity takes up with the National Commission the matter of deciding definitely whether the men get their share on the attendance or the actual receipts.

LOCAL AUTOISTS FINED.

A number of Bridgeport automobile owners were convicted of reckless driving on the Newtown turnpike last week and fined by Justice Arthur J. Hull of Stepping Depot. The arrests were made Thursday and Friday. The trials were held Saturday morning. Those found guilty and fined were: George A. Shelton of 219 Park avenue, \$15 and costs; Alfred Natzke of 37 Capitol avenue, \$5 and costs; Herbert Lodell, 8 Highland avenue, \$15 and costs; Charles W. Gardner of State street, \$5 and costs. The cases of Robert Pleasant and George W. Platt of Congress street, charged with reckless driving, will be tried Wednesday afternoon.

CONNECTICUT CO. IS REPRESENTED AT BIG RAILWAY ASSO. MEET

The Connecticut Co. is represented at the convention of the American Electric Railway association, which began today at Atlantic City, by some of its official staff.

This year's convention at which an attendance of between 4,000 and 5,000 is expected, will be of unusual interest from the fact that the Thursday session will be devoted to a historical review of the industry. An effort is being made to assemble for this meeting as many of the pioneers of the industry as can attend.

Eight persons were injured when a heavy automobile truck of the Empire Carting Co. crashed head-on with a westbound 8th street cross-town car near Fifth avenue.

Shake Hands with Health

LASH'S BITTERS

YOUR stomach and bowels are your best friends—they can be your worst enemies. Lash's Bitters keeps them friendly and working right. A half glass—at all bars.

A Bloating Laxative
